

Weekly Shopping Lists

Each list covers every recipe cooked that week for two people, including the batches that feed the following days and the freezer; leftovers are not listed twice. Cross off what is already in the cupboard. **Every week, as well:** two litres of unsweetened rice milk (or almond milk); a loaf of low-sodium white bread for the freezer; unsalted butter; a bag of apples and a bunch of grapes for the daily fruit; a bottle of unsweetened cranberry juice; tea and coffee. Amounts are rounded up to what you can actually buy; the leftover half of a pepper or a cucumber goes into the next day's salad.
