

Weekly Shopping Lists

Each list covers every recipe cooked that week for two people, including the batches that feed the following days and the freezer; leftovers are not listed twice. Cross off what is already in the cupboard. **Every week:** eggs by the dozen, olive oil, butter, a block of cheddar, Greek yogurt, a bag of salad leaves, lemons, garlic, the herb and spice rack, and the extra vegetables for the days you are hungry.

The Fridge Card: Keep, Limit, Avoid

Cut out and keep on the fridge. Targets: 30 to 50 g of net carbohydrate a day (under 30 on a strict week); 25 to 30 g of protein at every main meal; the fat from olive oil, fish, eggs, nuts, avocado and dairy; two litres of water; vegetables at every meal.

Keep (every day)	Limit (measure it)	Avoid
Eggs, fish (oily fish twice a week), chicken, turkey, lean beef, pork and lamb	Cheese: a matchbox at a time; cream: a spoon; full-fat yogurt: a small pot	Bread, rolls, wraps, crackers, breakfast cereal, oats, rice, pasta, couscous, noodles
Vegetables that grow above ground: leafy greens, broccoli, cauliflower, cabbage, courgette, peppers, tomatoes, mushrooms, asparagus, green beans, cucumber, celery, avocado, olives	Root vegetables: carrot and onion in the pot, not on the plate; no potato, sweet potato or parsnip	Potatoes, chips, crisps, sweet potato, parsnip, corn
Olive oil, butter, nuts (a small handful: almonds, walnuts, pecans, macadamias), seeds (chia, flax, pumpkin)	Berries: a small handful a day; nuts: one handful; dark chocolate: two squares	Fruit by the piece (banana, grapes, mango, apple, orange, dried fruit), fruit juice, smoothies
Greek yogurt and cottage cheese (a pot); tofu and edamame	Bacon, ham, sausages, halloumi, smoked salmon: once or twice a week, for the salt	Sugar, honey, syrup, agave, jam, cakes, biscuits, sweets, ice cream, 'keto' bars and sweets with sugar alcohols by the packet
Water, tea and coffee with a splash of milk or cream, unsweetened sparkling water, broth	Milk: a splash, not a glass (lactose is sugar); a glass of dry wine or a spirit with soda, with food, not daily	Beer, cider, sweet wine, cocktails, sugary and 'diet' fizzy drinks, 'low-fat' foods with sugar in them
Herbs, spices, lemon, vinegar, mustard, garlic, ginger, chilli	Sweeteners: erythritol or stevia in a recipe; not in every cup	Processed 'keto' products, crash keto, keto without the water and the salt, and any of it without telling the doctor if you take a diabetes or blood pressure medicine

The pinch of salt. In the first fortnight, if you feel tired, dizzy on standing, headachy or crampy: a glass of water with a good pinch of salt, or a cup of broth, and it usually passes in an hour. Not if you have been told to restrict salt: then the doctor.
