

Weekly Shopping Lists

Each list covers every recipe cooked that week for two people, including the batches that feed the following days. Cross off what is already in the cupboard. **Every week, as well:** a bag of unsalted mixed nuts for the daily handful (about 200 g), fruit for the daily pieces (a dozen), fat-free yogurt, and the plant-sterol spread if you use one. Amounts are rounded up to what you can actually buy; the leftover half of a can or a pepper goes into the next day's salad or soup.
